

Wade Tours Presents
“HAUNTED HAPPENINGS”

OCTOBER 20-21, 2012

Salem, MA.

Beautiful Fall Foliage, Witches, Maritime History, Witch Trials, Literature, Pirates, World Class Museum, Haunted Happenings....whatever your pleasure Come join us on a trip to Salem – the Halloween City!

Salem is an amazing city filled with rich history and unique stories. It is a place where the old mixes with the new and the traditional stands alongside the contemporary. If you find one attraction staid and serious, turn the corner because the next thing to catch your eye could be a bit bizarre!

We'll arrive in Salem around noon with a drop off in the center of town. The whole day is free for you to explore those things of most interest to you. We suggest starting your visit by taking the **narrated trolley tour**, which is included for your convenience. The **trolley's hop-on, hop-off** feature allows you to use the trolley as much as you want to get from place to place. The 2-day trolley runs from 10:00 a.m. until 5:00 p.m. Trolley route maps will be provided.

To make this the most convenient, comfortable tour of all, there will be a shuttle to the hotel at 3 different times (late afternoon, early evening, & late evening). You'll spend the night at the **HOLIDAY INN PEABODY** located 7 miles from Salem: 1 Newbury St. (978) 535-4600
